

## ESL + Homestay Stay Programs

### Program Overview:

This program is specially designed to improve English language skills, confidence and sharpen cultural awareness through cultural sharing and immersion. Experience American culture firsthand through a caring host family, comprehensive and dynamic classes, insightful excursions, and participating in various culturally enriching activities and projects.

### Program Highlights:

- Enhance your English skills in the morning ESL classes and put them into practice in the afternoon activities with your international friends.
- Become a cultural ambassador by sharing your culture and practicing your English with your international peers.
- Visit some of the most well-known museums and universities in the United States.
- Stay with an American host family and get a real feel for the culture even after program classes have ended.

**This program is designed for** students who are learning English and are willing to share their culture and perspective while making international friends.
