

American School Immersion Program

For: middle and high school students

Language level: basic English

Location: Middle schools and high schools in Los Angeles and Phoenix.

Duration: 18 days

Program Overview:

Step into the life of an American student in this full immersion program. Students will join their American friends for interactive American school classes, activities, and family life as this will strengthen conversational English skills and help them easily adapt to American culture.

Program Highland:

- Have your American friends as your academic and social guide.
- Full immersion into classes that optimize language learning that familiarizes American teaching styles and classroom culture.
- As a cultural ambassador, you will share your unique perspective in classes and share your culture in after-school activities and host family.
- Team up with local students to positively impact the community with a service-learning project.

The program is designed for students who have a basic understanding of English, are open-minded, are willing to participate in American classes, and are interested in making American friends. This program particularly benefits students planning to attend high school or college in the United States.
